Technical Delegate's Report

Following FP1, the Scuderia Ferrari HP team electronically returned two sets of dry-weather tyres (sets 16-301 & 16-401) for Car 16 (LEC) in accordance with Articles B6.4.1 and B6.3.8 a) iii). However, the corresponding tyres were not physically returned to the Appointed Tyre Supplier before the start of the FP2. This is non-compliant with Article B6.4.2.

Following FP1, the Scuderia Ferrari HP team electronically returned two sets of dry-weather tyres (sets 44-301 & 44-401) for Car 44 (HAM) in accordance with Articles B6.4.1 and B6.3.8 a) iii). However, the corresponding tyres were not physically returned to the Appointed Tyre Supplier before the start of the FP2. This is non-compliant with Article B6.4.2.

I am reporting these matters to the stewards for their consideration.
