Fact Car 11 alleged failure to slow for double yellow flags.

Infringement Alleged breach of Appendix H, Article 2.5.5 b) of the FIA International Sporting Code.

Decision No further action.

Reason The Stewards reviewed positioning/marshalling system data, video, timing, telemetry, and in-car video evidence.

The double yellow flags were triggered following an incident involving Car 51 (CAM), who lost control at Turn 1 immediately ahead of Car 11 (PER). The Stewards noted that PER had very limited time to react, as he was already approaching Turn 1 and had commenced braking when the double yellow flags were activated.

The telemetry showed that PER braked more than on comparable laps and carried a lower speed through Turns 2 and 3. Furthermore, the time taken to complete the marshalling sector in which the double yellow flags were displayed was discernibly longer than on comparable laps.

Taking all these elements into account, the Stewards were satisfied that PER reacted appropriately to the double yellow flags and reduced his speed sufficiently in the circumstances.

The Stewards therefore determined that no further action was necessary.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 5 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.

Decisions of the Stewards are taken independently of the FIA and are based solely on the relevant regulations, guidelines and evidence presented.
