Session Race

Fact Collision between cars 41 and 30 in Turn 1.

Infringement Alleged breach of Appendix L, Chapter IV, Article 2 d) of the FIA International Sporting Code.

Decision No further action.

Reason The Stewards looked at video and in-car video evidence.

Following the restart, LIN and LAW approached Turn 1, with LIN in a three-car situation.

Ahead of them, a collision occurred involving COL, GAS and NOR. That incident, together with COL locking his brakes, triggered a braking reaction among the cars immediately ahead of LIN. At the same time, LIN was positioned between cars on either side.

During the corner, LIN made contact with LAW. Having reviewed the positioning and movement of the cars involved, the Stewards determined that the contact was primarily the result of the restricted space available to LIN and the chain reaction caused by the incident ahead, rather than any action or error for which LIN could be considered wholly or predominantly to blame.

The Stewards therefore considered this to be a typical first-corner incident following a restart, with no driver predominantly to blame.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 5 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.

Decisions of the Stewards are taken independently of the FIA and are based solely on the relevant regulations, guidelines and evidence presented.
