24 - 26 September 2026

From	The Stewards	Document	67
To	The Team Manager, Cadillac Formula 1 Team	Date	26 September 2026
		Time	19:39

The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

No / Driver 77 - Valtteri Bottas

Competitor Cadillac Formula 1 Team

Time 16:43

Session Race

Fact Car 77 left the track at Turn 15 and made contact with the wall. After exiting the car and replacing the steering wheel, the driver remained in the vicinity of the car for a period of time, including inspecting the rear of the car.

Infringement Alleged breach of Article 12.2.1.h of the FIA International Sporting Code

Decision No further action.

Reason The Stewards heard from the driver of Car 77 (Valtteri Bottas), the team representative and reviewed video evidence.

The driver explained that, after the incident, he exited the car, replaced the steering wheel and proceeded to the rear of the car in order to ascertain whether a technical issue may have contributed to the incident. Indeed, BOT mentioned during the hearing that he believed he had a rear brakes failure.

The Stewards noted that the driver remained in the vicinity of the car for a relatively extended period of time rather than moving promptly to a place of safety. During the hearing, the driver acknowledged that he could have left the area more quickly and confirmed that, in similar circumstances in the future, he would endeavour to do so.

The Stewards considered whether the driver's actions constituted an unsafe act or a failure to take reasonable measures resulting in an unsafe situation within the meaning of Article 12.2.1.h of the FIA International Sporting Code.

Having considered the circumstances, including the location of the car and the prevailing track conditions at the time, the Stewards determined that the situation did not present a significant level of danger. The Stewards also acknowledged the driver's explanation and his commitment to leave the track more promptly in similar circumstances in the future.

Accordingly, the Stewards determine that no further action is required

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 5 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.

Decisions of the Stewards are taken independently of the FIA and are based solely

on the relevant regulations, guidelines and evidence presented.
