

2026 AZERBAIJAN GRAND PRIX

24 - 26 September 2026

From	The Stewards	Document	66
To	The Team Manager, BWT Alpine F1 Team	Date	26 September 2026
		Time	19:29

The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

No / Driver 43 - Franco Colapinto

Competitor BWT Alpine F1 Team

Time 16:11

Session Race

Fact Collision with Car 10 in Turn 1

Infringement Breach of Appendix L, Chapter IV, Article 2 d) of the FIA International Sporting Code.

Decision 10 second time penalty converted to a drop of 5 grid positions at the next race in which the driver participates.

Reason The Stewards reviewed video, timing and in-car video evidence.

Following the restart, COL approached GAS from behind into Turn 1. COL braked too late and entered the corner on the inside at a speed which did not allow him to make the corner in a controlled manner. He overshot the corner and made contact with the left-hand side of GAS, who then hit NOR and both cars retired.

The Stewards considered that COL was wholly or predominantly to blame for the collision. Although the incident occurred at the first corner following the restart, there was no contribution from another driver which would justify applying the first-lap / first-corner more lenient approach.

The standard penalty for causing a collision is a 10-second time penalty. As COL had retired from the Race and was therefore unable to serve the time penalty, the Stewards converted the penalty to a drop of 5 grid positions at the next Race in which the driver participates in accordance with Article B1.9.6.(e) of the FIA FIA 2026 F1 Regulations.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 5 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.

Decisions of the Stewards are taken independently of the FIA and are based solely on the relevant regulations, guidelines and evidence presented.
