FIA FORMULA 1 WORLD CHAMPIONSHIP

2026 SÃO PAULO GRAND PRIX

06 - 08 November 2026

From	The Stewards	**Document**	40
To	The Team Manager, Cadillac Formula 1 Team	**Date**	07 November 2026
		Time	13:28

The Stewards, having received a report from the Race Director, summoned the driver and team representative (document 31), and heard from the team representative, have considered the following matter and determine the following:

No / Driver	11 - Sergio Perez
Competitor	Cadillac Formula 1 Team
Time	12:22
Session	Free Practice 3
Fact	Car 11 drove in an unsafe condition.
Infringement	Breach of Article B1.6.2a of the FIA F1 Regulations.
Decision	Competitor: Formal warning.
Reason	The Stewards heard from the team representative and reviewed in-car video evidence and determined that the driver of Car 11 threw a small plastic piece out of the car. The plastic piece was a cable organiser that typically attaches to the seat belt. It dislodged during the session and the driver threw it out as he was concerned that it would lodge itself somewhere else in the car and create a safety issue. While we appreciated the fact that it was a small, light piece of plastic that was unlikely to cause any damage to another car or injure another driver, throwing materials onto the track during a live session is not appropriate for obvious reasons. We therefore issue a formal warning to the competitor to avoid similar situations from arising in the future.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 5 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.

Decisions of the Stewards are taken independently of the FIA and are based solely on the relevant regulations, guidelines and evidence presented.
