The Stewards, having received a report from the Race Director, summoned (documents 72 & 73) and heard from the drivers and team representatives, have considered the following matter and determine the following:

No / Driver 16 - Charles Leclerc

Competitor Scuderia Ferrari HP

Time 15:36

Session Race

Fact Car 16 made contact with Car 30 in turn 12.

Infringement Breach of Appendix L, Chapter IV, Article 2 d) of the FIA International Sporting Code.

Decision 5 second time penalty.

(5 seconds added to elapsed Race time).

Reason The Stewards heard from the driver of Car 16 (Charles Leclerc), the driver of Car 30 (Liam Lawson), team representatives and reviewed positioning/marshalling system data, video and in-car video evidence and determined that Car 16 made contact with Car 30 at turn 12.

While the contact was minor and Car 30 was able to maintain the lead thereafter, the driver of Car 30 claimed that the contact damaged the rear left rim of his car and also enabled Car 16 to get closer to him on track and then eventually overtake him 5 corners later. Furthermore, under the Driving Standard Guidelines, Car 30 had the right to the corner and it was for Car 16 to take the necessary steps to avoid a collision.

The driver of Car 16 claimed that it was a minor contact with no obvious sporting consequence.

While we acknowledge that the contact was minor, having examined the fight on track between the two cars, we conclude that Car 16 was able to get closer to and thereafter overtake Car 30 because of the contact. The contact clearly disrupted Car 30 and allowed Car 16 to pull up alongside when it was further away before the contact. This was an obvious sporting consequence.

In mitigation, the wet conditions coupled with the nature of the contact (ie minor) was taken into account in imposing a 5 second time penalty as opposed to a 10 second time penalty.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 5 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.

Decisions of the Stewards are taken independently of the FIA and are based solely on the relevant regulations, guidelines and evidence presented.
